INTRODUCING

# TOMAHAWK

The tomahawk **Angus Reserve** is the cherry on the cake of a range of highest quality chilled beef cuts. NH Foods Australia selects for you only the best Australian Black Angus to deliver an unparalleled tasting experience. The cattle are 100% Black Angus certified, and are fed with a special and balanced diet, based on high-quality grains for at least 150 days before slaughter. The result is a highly marbled, tender and tasty meat, to meet the most demanding palates.
